INTRODUCTION

Khyati shield is a one of the leading iso 9001:2015 certified security company providing, guarding, digital surveillance, facility management, and job consultancy services to a large number of corporates today.

Nowadays, safety-security provisions are considered in the very initial stages of project implementation and even included in the project feasibility report itself.

We believe in commitment to quality with its potential team that brings on board their expertise from security and surveillance industry with our trained security personnel, we ensure the safety of your land, property, assets and you.

Our management is a group of professionals who control and monitor the field activities and operations. For us, our clients hold utmost value in our growth and we work to assist their priorities, action plan and

Targets. Our guards are like an army, energetic and dynamic at their duty. Our Carefully channeled field officers ensure the functioning of security guards posted at each site. They strategize the working and roaster shifts, so that both, the quality of work and time are justified.

The key to our success is our understanding of our customers and their business. We, then help our customers to assess current and future risks correctly, delivering total security solutions that are tailored specifically for your needs.

Our security experts have decades of experience in planning and implementing Excellent security procedures and protocols to secure some of the most critical infrastructure and highly threatened individuals of the country.

ABOUT US

OUR MISSION

Our mission is to achieve and sustain a leadership position in the industry by providing unmatched services to our customers and to ensure a secure, healthy, and productive environment for our customers.

OUR VISION

We believe in security with a human touch. Therefore, we aim to provide industry leading security solutions while promoting a business culture founded on dedication, development, effectiveness, innovation, respect, teamwork and trust. Based on these company values, we endorse empowerment as a way to improve the quality of life of both our clients and our employees.

COMMITMENT TO QUALITY

Our stringent Quality-of-Service policies ensure that our customers get ethical, efficient, and effective services. We regularly update our Quality Management Systems to ensure that our customers always get the best and the most advanced quality of service that the industry has to offer, globally.

We are very proud to mention that we are a 100% compliant company as per the Private Security Agencies Regulation Act (PSARA) and are an ISO 9001:2015 Certified Company in 2019. Because of our constant up gradation of service standards, continuous execution of innovative business processes and a very strong management team that believes in Total Quality Management, we have been able to deliver world class leading solutions in India and maintain a successful 99.9% customer retention rate.

DIRECTOR MESSAGE

It will be our endeavor to be the leader in the Indian Security Industry in terms of products/service range, service quality, operations network, brand value, customer retention and business growth.

We shall achieve this through design up gradation and refinement of services, continuous training and performance management of employees, adopting latest technologies and implementing best management and business practices. We shall strive to retain customer loyalty through consistent delivery of value for money products/services to delight our customers.

We at Khyati Shield are committed to achieve 100% customer satisfaction by providing services based on effective and efficient quality management systems.

Our aim would be to continually review and upgrade our business processes and ensure consistent training of our employees.

Director

(Khyati Shield)

OUR SERVICES

Guarding

Guards, who are also called security officers, patrol and inspect property to protect against fire, theft, vandalism, terrorism, and illegal activity.

Electronic Surveillance

Electronic Surveillance enables us to screen the behavior, activities, seek information and monitor people over electronic records.

Facility Management

Renowned as one of the most reliable security & facility management agency in Delhi, Khyati Shield housekeeping services create the most hygienic and welcoming atmosphere at your premises.

Consulting

The right recruitment, we know is a treasure that will follow our values everywhere.

Cash Van Services

Cash Logistics is the actual transfer and storage on behalf of banks and the replenishment of the ATM of money and other valuables. We provide updated cash van according to RBI Rule.

Recruitment & Training

The initial selection process consists of check and verification of education, physical standards, appearance, body language and background of the candidates.

GUARDING

Well-trained security personnel's instinct and judgment beat even the most advanced technology, making 'Manned Guarding' the most crucial aspect of any effective security deployment strategy.

Every security personnel is selected through a stringent selection process that includes detailed background checks. Further, our personnel undergo a rigorous 160-hour training program to meet industry and region-specific security norms. Owing to an innovative approach and a dedicated workforce, we have an industry best client retention rate of 99.9%.

- ✓ To clean on regular basis, all underground and overhead tanks and to ensure there are no deposits /sediments or algae growth

SECURITY TRAINING

The security guard is hired to protect people and/or property. Security guards act as a preliminary defense system, prior to police involvement & are a vital part of the safety of our country's schools, hospitals, public places, businesses, etc. Since most security guards in this country work in public places (such as airports, malls, hospitals, businesses, etc.), guards need to be thoroughly trained in public relation relating to all kinds of people and how to identify and handle possible terrorist activity. During security training courses these topics are also covered, to ensure that security personal can recognize weapons, threats, and suspicious activity. Documentation of events is another important aspect of the security guard position. Training will cover these important practices as well as tactics on how to question and recognize suspicious activity. All of these items are condensed into a short amount of time i.e.100 hours of class room training spread across 15 days and 60 hours of training on the job/site spread across 5 days. We provide regular customized training (basic & refresher training) to ensure up-gradation of skill-sets of front line staff.

Training Program consisting of:

- ✓ Basic Security Training
- ✓ Security Shift Leader Training
- ✓ Security Supervisor Training
- ✓ Response Team Training
- ✓ Security Manager Training
- ✓ Investigation Training
- ✓ Close Protection Training
